Triplex Apartment - Brunel Two, Lostwithiel
£375,000

LUXURY LIVING IN LOSTWITHIEL!

Brunel Two epitomizes the best of a new and modern Cornwall. Beautiful, award winning architect designed apartments built to a high standard with a boutique quality finish. Located within a short level walk of Lostwithiel Town centre, the Fowey River, the mainline rail link and also the gorgeous Cornish coastline only a short drive away.

Step Inside: from the garden, step inside the entrance lobby and into the contemporary kitchen/diner with utility and double height ceiling lending volume and a view up to the living room through the glass balustrade. Natural light floods this space through the bank of velux windows set into the gallery roof and the full height glazed doors that lead out onto the garden patio.

Take the oak stairs to the first floor where double glazed doors open into a fabulous 33ft living room. You'll experience the WOW factor as you take in the full size of the property and the glass balustrade which provides a gallery-like-atmosphere view over the kitchen and out through the windows of both east and west elevations. Installed with underfloor-heating and ample services and lighting this wonderful space is designed for a combination of modern living and dining.

The three double sized bedrooms are located on the second floor along with family bathroom and en-suite bathroom off the master bedroom. Again the oak stairs lead you to a bright landing washed with natural light from the velux roof light above. The spacious master bedroom has a contemporary en-suite shower room and ample space for built-in wardrobes plus other furniture. The two remaining bedrooms are also double proportion with space for bedroom furniture. The landing also has a super useful airing cupboard too.

Step Outside: to an attractive, level enclosed landscaped garden featuring a patio, perfect for entertaining, with shrub border. Each property comes with two allocated parking spaces. There are also designated parking spaces for your visitors and access to the on-site electric car charging point.

My Place Think: WOW! These properties are amazing and located right in the heart of the historic Stannary Town of Lostwithiel, with its shops, restaurants and great variety of year-round social events for all ages. They are so stylish and contemporary with a fantastic amount of living space. They ooze charm and the design and modern engineering has produced sustainable buildings that are economical and efficient. Very appealing as family homes or could be attractive holiday homes or buy to let investments. Lostwithiel is full of character with great amenities and interest is high for these gems, so don't miss out! What do you think?
